Subject: RE: G-I Holdings Inc.'s Response to EPA's Request for Information - Follow-up

Sylvia,

USEPA regulations at 40 C.F.R. Part 2, Subpart B govern the treatment of information claimed to be confidential business information ("CBI"). Pursuant to 40 C.F.R. § 2.204, USEPA Region 2 is in the process determining whether CBI claims are applicable to the information provided by G-I Holdings in its April 6, 2016 response to USEPA's January 2016 Request for Information concerning the LCP Chemicals, Inc. Superfund Site. To assist in this determination, USEPA Region 2 will send G-I Holdings a letter providing it with the opportunity to substantiate its CBI claims. The information subject to the CBI claims will be treated as confidential until Region 2 issues a final determination on the CBI claims, after which time the information will be handled in accordance with the final determination.

Please let me know if you have any further questions.

Best,

Krista

Subject: G-I Holdings Inc.'s Response to EPA's Request for Information - Follow-up

Krista, we represent G-I Holdings Inc. ("G-I") and write in connection with G-I's April 6, 2016 Responses and Objections (the "Response") to the United States Environmental Protection

Agency (the “EPA”)’s Request for Information (the “RFI”) concerning the LCP Chemicals, Inc. Superfund Site.

In Paragraph 12 of its Response, G-I requested permanent confidential treatment of 3 categories of documents being produced in connection with the RFI, including Addendums A and B to the Response. G-I writes to request that the EPA confirm that it has been treating, and will continue to treat, these documents as confidential.

Thank you very much for your attention to this matter and please don’t hesitate to give me a call if you have any questions or concerns.

All the best,

Sylvia
